ACTIVITY WORKBOOK

ExpressWays 3

Second Edition

Steven J. Molinsky • Bill Bliss
with Carolyn Graham

ExpressWays is a complete four-level course for learners of English. Its innovative spiraled curriculum integrates lifeskill topics, functions, and grammar in an imaginative highway theme that puts students in the fast lane for an exciting and motivating journey to English language proficiency. Role playing, cooperative learning, critical thinking, problem solving, and community tasks offer students interactive, student-centered learning that is relevant to their varied needs and interests.

Each level of *ExpressWays* offers all-skills language instruction. For supplementary practice there are two options: The *Navigator* companion books provide lifeskills content through an innovative magazine format. The *ExpressWays Activity Workbooks* offer a variety of exercises and activities for reinforcement of vocabulary and grammar.

Guided Conversations offer students meaningful and lively communication practice.

Reflections and Community Connections activities provide opportunities for self-assessment, critical thinking, problem solving, and task-based activities involving community resources.

Constructions Ahead! and **Listen** exercises provide reinforcement of grammar and intensive listening comprehension practice.

CrossTalk and **Cultural Intersections** activities enable students to relate lesson content to their own lives and to discuss cross-cultural issues.

InterActions and **Interview** activities engage students in role playing and cooperative learning.

Reading Passages and **Your Turn** activities provide students with reading and writing experiences based on the themes of each chapter.
