___: But this bird is heavy.

And I'm not very strong!

Why are you burning trash?

WALTER: Why are you burning trash?

PROFESSOR: Because I'm making electricity.

VERONICA: Electricity from trash is a good idea. But look at all the pollution outside!

PROFESSOR: Pollution? I can't see any pollution.

WALTER: Look at that cloud! That's not rain, Professor...that's pollution!

PROFESSOR: Oh, no! I'm working on a project for the Eco-Science Contest this summer.

I can't win now!

ALAN: What Eco-Science Contest?

PROFESSOR: It's a contest to help the environment.

TATIANA: Oh, yes. There are some posters at school about it.

VERONICA: Maybe we can help you. We can fix things!

PROFESSOR: Oh, thank you!

There's a refrigerator in my kitchen. There are two bottles of water in the refrigerator. There is some isn't any coffee. Coffee is my dad's favorite drink, but I don't like it. There's some meat, and there's a can of soda. I like meat sandwiches — and I love mayonnaise in them! We have some bread, but it isn't in the refrigerator. It's on the refrigerator, next to the ham.

There's a table in the kitchen, and there's a red and green tablecloth on it.

There are three slices of meat on the table. There's some fruit, too — two bananas and three apples. There are two cartons of milk on the table. I love milk — it's my favorite drink. There's a bottle of ketchup, and a tomato. I don't like tomatoes.

There's a picnic at school tomorrow. This is my picnic basket. There's some bread in it, and there's some meat — so I can make some sandwiches for me and my friends! There isn't any butter in the basket, but there is some mayonnaise. There's some soda in the basket — one can for me, one for my sister and one for our teacher! And there are three oranges. This is a photo of the Eco-Science prize ceremony. Alan Robinson, a student at Hampton High School, is one of the winners! He's twelve years old, and he's in 8th grade.

In the photo, Professor Maxwell is holding a big check for a thousand dollars. Alan is standing next to the professor. Three of Alan's friends are winners, too. Alan is smiling because he's happy. Congratulations, Alan!

2

Can you give any money to Hampton Children's Hospital? The hospital needs a new x-ray machine. The machine costs \$10,000. "We already have donations of \$8,000," says the hospital's manager, "so we need \$2,000." Please help if you can! Maybe you don't have any money – but you can ask your parents and friends!

3

Jill MacDonald is Hampton High School Athlete of the Year. She's only fourteen, but she's the school tennis champion! The interviewer is Rob Mackay.

Rob: Congratulations! Why do you like tennis?

JILL: Because it's fast and exciting! ROB: How often do you play tennis? JILL: I play tennis four times a week ROB: Do you like any other sports?

JILL: Well, tennis is my favorite sport, of course – but I sometimes play basketball. I can run very fast, too. I like

soccer, but I'm not very good at it.

How do you use your time?

1 Read the texts belows. Three generations of the same family are talking about their lives.

Lucy, 13

I go to school every day. I like school, but I don't like homework. And I don't like exams! In the evenings I usually meet my friends. I never play computer games but I sometimes use the internet. I have a cell phone. I use my cell phone every day. I usually visit my grandmother, Sarah, on the weekend.

Martin, 35

I work at a factory. I drive to work every day. I like my job, but I'm always very tired after work. In the evening, I usually watch a DVD but I never go to the movies. I have a daughter, Lucy and I sometimes help Lucy with her homework. I usually phone my mother, Sarah, once a week.

Sarah, 70

I don't work. I'm retired. I live alone, but I see my friends every day. I usually sleep after lunch, and I sometimes watch T.V. in the afternoon. I have a computer. I never use the internet, but I sometimes send e-mails to my son, Martin and my granddaughter, Lucy.

What do Lucy, Martin and Sarah do every day, usually, sometimes and never?

What is recycling?

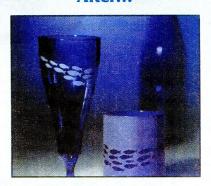

1 Read about some types of trash that can be recycled.

Before...

Every year, the average family in the USA uses about 500 glass jars and bottles. What happens to them? Well, about 25% of the jars and bottles go to the recycling center: 75% go into the trash can. We use recycled glass for many things - for example, bottles and vases. We can even use it in roads and buildings! Don't throw away old bottles and jars - recycle them!

After...

Before...

The average American throws away more than half a kilogram of plastic every week. It's difficult to recycle plastic different bottles contain different types of plastic. But we can use old plastic to make many things - for example, furniture for the garden. So take it to the recycling center! But don't recycle plastic bags - just use them again, and again!

After...

Before...

Most of us throw away about half a kilogram of paper every day! In fact, about one-third of our trash is paper. But it's important to recycle as much paper as you can. When you recycle a pile of newspapers six feet tall, you save one tree! We use recycled paper in newspapers, bags and books. And animals like to sleep on recycled paper!

After...

$\mathbf{2}$ Fill in the blanks with the numbers.

75% 6 feet 500 half a kilogram half a kilogram

- 1 The number of glass jars and bottles that an American family uses every year. ______500
- 2 The percentage of jars and bottles that an American family throws away.

The tried-and-trusted American English course for young people – now in a **NEW EDITION**.

A clear, step-by-step approach gives students a thorough grasp of grammar.

See Unit 5 page 21 for a clear presentation of the simple present.

Rewind and Plus Exercises ensure students are confident about what they've learned before moving on.

See page 59 for a review of Units 11 and 12.

Cross-curricular Transfer pages give students the chance to read about real-world subjects and motivate them to create their own projects.

See page 103 for an exciting project about ecology.

NEW! Eye-catching Read More section with texts which your students will want to read – extra practice to improve their reading skills.

See page 93 for a questionnaire about personality.

The Teacher's Book contains a wide selection of games and activities to provide extra practice for students of all abilities.

Photocopiable tests in the Teacher's Book mean your students can see the progress they're making.

Get Together is a four-level course. Each level consists of a Student Book, Workbook, Teacher's Book and Class Audio CD.
